Hello Darling

It's a cold rainy nite
and N.O. is all keyed up
over the election to-day. The
returns are starting to come
in and it looks like La. is
going to have a new governor.

The bass were closed from 6 A.M.
To 9 P.M. but I bet they are
going full blast now.

I've got your letter in
front of me and I got a
kick too about the paper dolls.
They tell me that when you
want the truth go to a child.
So it's a good amen.

Glad to hear that Mac
and Adele are finally gonna
have a place of their own.

I'll bet they are excited over it.

Hav'n't heard anything more from N.Y., but no news is good news. But I'm getting along swell here. Every day brings a little bit more of "know how" and "every little bit added to what you've got just makes a little bit more." Let's hope it adds up to a store of my own in the near future - and then you and I can start making "our" plans.

You didn't mention anything about the announcement ^{ap!} you said would be in the papers. Did you put it in yet?

Well baby - I'm burning the midnite oil too so I'll close - give my love to the folks and

P.S.
I'm going to write Sydell tomorrow.

I love you
Sol
